Test Case

November 2022

This test will verify if the "See All Bots" button works correctly.

Steps:

1. Navigate to main page of Duel Duo
2. Click on the button labeled "See All Bots"

Test Postconditions

- Check to see that all of the bots loaded after clicking the button

See All Bots Bug Report

All bots appear when clicking on "See all bots" button

Steps to Reproduce:

1. Navigate to main page of Duel Duo
2. Click on the button labeled "See All Bots"

Expected Results:

- The page should load a list of all of the bots

Actual Results:

- Nothing changes on the page when clicking on the button. No bots load

Environment:

- Chrome v. 107
- MacOs Monterey

Winning A Duel Bug Report

Winner counter should show "1" after winning one game

Steps to Reproduce:

1. Navigate to the landing page and scroll down to the "Draw" button
2. Click on the "Draw" button
3. Choose two of the bots by clicking on the "add to duo" button under each bot you choose
4. Click on "Duel!" button under your duo bots
5. Repeat if you don't win until you successfully win

Expected Results:

- The counter should show a "1" in the win column

Actual Result:

- The counter is showing "1" in the loss column even though I was shown a response that I won

Environment:

- Chrome v. 107
- MacOs Monterey
